

e-EdPort

ELECTRONIC EDUCATION PORTAL

MontBit

Technologies Ltd

About Company

MontBit Technologies adheres to a holistic approach to Education and Development. It's a Canadian organization focusing on Ed-Tech solutions for the past four years. At MontBit, we work hard to redefine the education ecosystem around the globe. We have worked with multiple educational establishments in Canada to deliver technology-focused education solutions.

Our Mission

We believe that children thrive in an environment which values their uniqueness, while providing support and opportunities to grow emotionally, socially and creatively. By building on each child's strengths, interests and curiosities, we guide each child to explore the world around them as well as develop new abilities and form close relationships.

PRESENTING

e-EdPort

We are glad to introduce you to e-EdPort (Electronic Educational Portal) which aims to improve the educational ecosystem and bring new and innovative ideas to improve the quality of education. Connecting education with technology has opened a bright door for the future. Joining us, you will get quality services which are crucial for the all-round development of children using the next generation of learning i.e. E-Learning
